## THE DUO-ART PIANOLA

THE GREATEST ACHIEVEMENT IN THE  
HISTORY OF THE PIANO INDUSTRY

The Duo-Art Pianola is a Steinway Upright Piano—which you may play by hand; by the Pianola method with music-rolls; or which, when used with Duo-Art Rolls, operates itself, reproducing the musical performances of the greatest pianists with an accuracy and realism that have aroused the unbounded enthusiasm of every musician who has heard the instrument. A DeLuxe Piano which *you may play* with fine effect, or which *will play for you* the most delightful music, most beautifully interpreted.

## ANNOUNCEMENT

So successful was the collection of portraits from The Lotus Magazine reproduced in the December issue, and so many requests have been received for a grouping of other art-works which this magazine has brought out from time to time, that The Lotus has dedicated the following pages to a "gallery" of Gobelin tapestries, which it trusts will prove as welcome as did the gallery of Lotus portraits.
